- f. Create list of possible drivers for ride sharing- use of an internal form to put in registration packet asking parents who are willing to provide rides for team members to allow sharing of their contact info with parent reps. Parent reps will contact all of their school team members to let them know of ride sharing options for the team.
- g. Other updates needed for paperwork collected at registration meeting- use of an internal form for release of student information for school announcements.
- h. For sponsorship letter information- Rich will add an area for e-mail so that thank you letters can be sent via e-mail rather than through the mail. Will save on cost of postage for the boosters.
- i. Suggested changes to Walled Lake Schools Bowling Program website- have not been able to contact Milissa regarding this and she was not in attendance for today's meeting. Jen will try following up to set up a meeting regarding this at a future date.
